

# Peter & Kelly on The Way

Prayerletter February 2010

Newly planted rice glows bright green in the paddies, the days are warming up, the dry wind blows and we have some milestones to celebrate. Our colleagues found a new house; the Lighthouse centre occupies the ground floor and our colleagues live upstairs. Kids Club began again after the move with 30-40 kids each week instead of 10-15; wonderful but stretching. Some new students are coming to the adult English classes, among them our next-door neighbour and some teachers from Lukas' school! In December we hosted a team from our colleagues' church in South Africa for a week. They were involved in sharing the meaning of Christmas in a highschool and a kindergarten, a Christmas party outreach and a market outreach, as well as helping paint in the new Lighthouse. They really helped the Word go forth and were a great encouragement to the team too. Peter has found a great new language helper, a loyal English student in the morning becomes his teacher in the afternoon..! B. is a good cook which was a great for Peter's Kitchen module, and great for our diners too! His current module is about communicating Christian concepts to Buddhists. Please pray that this will give B. more understanding of the Gospel too. March 15-26 we have been invited to teach English at a local children's "summer" school. Peter will teach 6 lessons using material around a Bible story theme that Kelly will prepare. Please pray for good ideas and that the children would gain some understanding of God as well as English. Three weeks ago we were able to attend a two-day conference with some OMF colleagues. It was wonderful to worship and listen with full understanding and to connect and pray with friends. We also went to Lopburi for language checks and for Kelly to sit her Level One exam. Now both onwards to Level Two!

With much love and God's blessings,

*Peter & Kelly* + Lukas + Emmet

## **Pray with us:**

That all new contacts at our centre will feel at home with us and will have a growing interest in God's Word.

That Lukas will learn more Thai as he interacts with teachers and friends at school.

For wisdom and perseverance in Thai language study in the midst of the demands of life and work.

For deepening personal and spiritual growth and transformation.

For a fruitful time at the "summer" school.

## **Praise with us:**

That we are starting to building deeper friendships!

That Lukas loves the people at his school and is starting to understand and speak some Thai.

That God is continuing to transform us in our personal lives!
