

Peter & Kelly on The Way

Prayerletter September 2010

The days are hot and humid and many evenings bring dark clouds rolling in with thunder, lightning and cool rain. The other day Kelly and the boys were out riding on Kelly's bike and raced the rain home, much to the boys' delight, arriving just as the big drops began to fall. We are settling in again here after our whirlwind trip back to Vancouver in August. We had a wonderful time reconnecting with many friends, culminating with Jillian & Paul's beautiful wedding where Kelly was matron-of-honour and Lukas was ringbearer.

Since our return we have been happy to reconnect with our friends here. Our friend Boy has returned to Lampang, and when he came to teach Peter Thai today we had an interesting discussion. He shared that he was grateful that our team accepted and included everybody in the activities that we run without forcing them to become Christian. He said that most of the people who come and stay involved have opened their hearts to Christianity to some degree. For himself, he is very drawn to God with Whom he can have a personal relationship and to Whom he can pray at any time in any place. He has been exploring praying to God and has been amazed by answers to his prayers which he considers miracles. Please continue to pray that Boy and others would continue to encounter Jesus and experience the reality of God in their lives and for wisdom for us to be good witnesses and encouragers.

This coming Sunday, October 3, we have been invited by our friends Wisit & Krathin to join them on a day trip out into the countryside to Wisit's extended family home. We are looking forward to this adventure. Please pray that this would be wonderful time of fellowship and building relationships, that we would be able to show Jesus' love and life through our lives, and for the right words to converse about spiritual things as they come up.

With much love and God's blessings,

Peter & Kelly
+ Lukas + Emmet

At the field conference

Pray with us:

For us as we process complex issues of cross-cultural life as a family.

For our team as we grapple with what it means to live out Christ-centred organic community in our context.

For sensitivity to what the Spirit is doing in the lives of those around us and wisdom as to how we can join Him.

For protection and safety from accidents and from mosquitoes that are carrying lots of Dengue fever this year.

Praise with us:

That Kids Club is bursting at the seams!

For a wonderful trip to Canada.

For being encouraged by many friends and supporters.

For deepening of friendships here in Lampang.

For increasing openness among our friends.
